OF THE

TOWN OF

EAST KINGSTON

1985

Population 1275
Area - 10 sq. miles

TOWN HALL HISTORY

The drawing on the cover shows the East Kingston Town Hall as it looked around the turn of the century. The present structure is the second to serve our town; the original town house as it was called in those days, was completed by the first town meeting which was held there in 1738.

A. R. Brown wrote in his history of the town, "In 1830 the meeting house which has stood for ninety-two years was torn down and the present town house erected in its place. It was finished with pews. The house was completed, the pews sold at auction and titles given on May 2, 1831. It was to be occupied by the town whenever needed for town purposes; at all other times and on Sabbaths, by the several religious societies, such a proportion of time as they owned pews. The selectmen decided annually what Sabbaths each society should occupy the house during the ensuing year."

On July 1, 1837 the use of public buildings to hold abolition or anti-slavery lectures was forbidden. According to Mr. Brown, "on March 9, 1847 this law was reconsidered and the town house was open for public meetings without regard to the political complexion of the speakers or their friends."

In 1859 the right of individual pew ownership was purchased, the pews removed and settees substituted, in all probability the same settees that we have. In 1898 it was voted to build a stage and anterooms. 1906 saw a vote to build a kitchen and toilets under the Town Hall. Electricity was installed per order of a vote in 1914.

Book 7 of the official town records refers to a vote for a furnace in 1917 installed probably later than that date, as no date was given on a research page. It was voted \$300 for the furnace. Again it is noted that the town will vote for running water for the hall. Later this was voted by the town, again possibly not the same year.

**REPORT OF THE TOWN MEETING
EAST KINGSTON, NEW HAMPSHIRE
March 12, 1985**

The Annual Meeting was called to order at 10:02 A.M. by the Moderator, Robert B. Donovan. The reading of the Warrant was waived.

ARTICLE 1. To choose all necessary Town Officers for the year ensuing.

TOWN BALLOT		VOTES
Selectman for Three Years:	Donald H. Clark	157
	Cynthia L. Sullivan	64
Town Clerk - Tax Collector:	Bonnie Keddy	198
Treasurer:	Linda Marie Eaton	205
Highway Agent:	Robert L. Rossi	191
Auditors:	Virginia A. Corton	180
	Marjorie Tice Rowell	176
Trustee of the Public Library:	G. Scott Darling	200
Trustee of the Trust Funds:	Patricia S. Qualter	190
Supervisors of the Checklist:	Donald C. Andolina	15
	Gail Donald	22

SCHOOL BALLOT

School Board Member for Three Years:	Louise Anne Castonguay	179
Treasurer:	Mary Russell	184
Moderator:	Robert B. Donovan	203
School District Clerk:	Catherine J. George	198
Auditors:	Mary Kelley	202

ARTICLE 2

To see if the Town will vote to amend the Zoning Ordinance by adding thereto a new Article VI, Paragraph E providing for regulation of driveways, the provisions of such amendment for regulation of driveways to be as follows:

Article VI, Paragraph E

Each building lot shall have its own driveway accessing onto a street or highway according to State and Town regulations before building thereon. Applications for driveway permits for driveways on Town roads must be obtained from the Planning Board.

VOTED — YES - 126

NO - 84

ARTICLE 3

To see if the Town will vote to amend the Zoning Ordinance by adding thereto a new Article VI-A providing for cluster development option, the provisions of such amendment for cluster development option to be as follows:

Article VI-A

Cluster Development Option

A. Purpose

Cluster Development is intended to:

(1) Enable and encourage flexibility in the design of residential development;

(2) Encourage land use patterns which preserve wetlands, trees, topsoil, outstanding natural topography and geologic features;

(3) Preserve the natural and scenic qualities of East Kingston's open land for conservation and recreational use;

(4) Promote the most appropriate use of land in accordance with the objectives of East Kingston's Master Plan.

B. Definition

A cluster development is defined as a grouping of the normally allowed number of two acre building lots in a subdivision such that the same number of lots are one acre and the acreage no longer included in the building lots is added to other unused or undevelopable acreage in the subdivision. The net effect must be more open space than would be contained in the subdivision if the cluster option were not selected.

C. Procedure

(1) Application procedures shall be the same as those required by the Town for a Subdivision including a Site Plan Review.

(2) The application shall include an Impact Statement which details the benefits of the cluster option to the Town and to the Developer.

(3) The Planning Board will review the Subdivision Plan including a Site Review and the Impact Statement, make recommendations for modifications as it thinks proper to protect the Town and the neighborhood adjacent to the site.

D. Standards and Conditions

(1) Provided that conditions below are met and that overall density does not exceed one dwelling per 87,120 square feet, detached single family dwellings may be clustered and lot sizes reduced to a minimum of 43,560 square feet and frontage requirements reduced to a minimum of 100 feet.

(2) A minimum size of ten contiguous acres is required to exercise this option.

(3) Soil classified by the Soil Conservation Service USDA as "Poorly Drained" or "Very Poorly Drained" shall not be used for building or the disposal of septic tank effluent.

(4) A minimum of 50% of a Cluster Development shall be retained for open space, conservation, agricultural and/or recreational use, which shall be preserved in perpetuity; by restrictive covenant, enforceable by the Town of East Kingston.

(5) With the exception of taxes due the Town of East Kingston, streets and undeveloped open space shall be held, managed and

maintained by the developer until owned in one or more of the following ways:

- (a) In common, by all owners of the tract (such as a Homeowner's Association) for the control and maintenance of common space and/or private roadways;
- (b) By the Town of East Kingston which may at its option at any time accept dedication of any common open space for perpetual public use and maintenance.
- (c) By a Conservation Trust.

(6) Each lot in the subdivision shall be assessed, for tax purposes, on the basis of the actual land area of the lot plus a fraction of the open space land area. The fraction shall be a proportion of the 1.0 divided by the number of building lots in the subdivision.

(7) All agreements, deed restrictions, organizational provisions for a Homeowner's Association, and any other method of management of the common land shall be approved by the Planning Board.

(8) No portion of the common open space shall be conveyed in a manner which would result in non-compliance with this ARTICLE.

(9) The Cluster proposal shall otherwise adhere to all applicable provisions of East Kingston's Subdivision and Site Plan Review Regulations.

VOTED — YES - 95

NO - 117

ARTICLE 4

To see if the Town will vote to adopt by reference as an ordinance the BOCA Basic Building Code, as amended, as established by the Building Officials and Code Administrators International, Inc. such adoption to include the following amendments as recommended by the Planning Board:

1. Title Section 100.1

These regulations shall be known as the Building Code of East Kingston, New Hampshire, hereinafter referred to as "This Code."

2. Fee Schedule 114.3.1

A fee for each plan examination, building permit and inspections shall be paid in accordance with the following schedule:

Use Group: A, B, F, H, I, M & R — \$.10 per square foot of new construction — total of all floors. Garages and porches, sundecks, breezeways and barns at \$.05 per square foot. Building permit fees will be based on total calculated square footage of useable area to include garages, breezeways, cellars and storage areas. Permit fees to combine both electrical, plumbing, mechanical, etc.

The value for building construction exempted from the requirements of obtaining a building permit shall be \$1,000; nevertheless, work shall be in compliance with all codes and ordinances.

The building inspector shall levy and collect all permit fees. The inspector shall provide a detailed account of said building transactions, as necessary, and deposit all receipts with the Town Treasurer. The Town in turn will apply said fees as compensation for the building inspector's services rendered to the Town (i.e.: necessary expenses, administration, inspections and enforcement).

3. Violation, Penalties, Section 117.4

Any person who shall violate a provision of this code or shall fail to comply with any of the requirements thereof or who shall erect, construct, alter or repair a building or structure in violation of an approved plan or directive of the building official, or of a permit or certificate issued under the provisions of this code, shall be guilty of a misdemeanor, if a natural person, or of a felony if any other person. Any such violation shall be punishable by a fine of not more than One Hundred Dollars (\$100.00), nor less than Ten Dollars (\$10.) for each day that a violation continues after the conviction date; provided, however, that total fines imposed for any single violation shall not exceed Five Hundred Dollars (\$500.) which sum shall inure to the Town of East Kingston for such uses as the Board of Selectmen may direct.

4. Unlawful Continuance Section 118.2

Any person who shall continue any work in or about the structure after having been served with a stop work order, except such work as that person is directed to perform to remove a violation or to remedy unsafe conditions identified by the building inspector, shall be guilty of a misdemeanor, if a natural person, or of a felony if any other person and be punished as provided in the preceding subsection entitled VIOLATION PENALTIES.

5. Compensation of Board of Survey Section 123.3

(Page 18, Second line) insert \$150.00.

6. Deep Excavations Section 1807.2.1

Insert: Four (4) feet.

7. Shallow Excavations Section 1807.2.2

Insert: Four (4) feet.

8. Saving Clause

That nothing in this ordinance or in the Building Code hereby adopted shall be construed to affect any suit or proceeding impending in any court, or any rights acquired or liability incurred, or any cause or causes of action acquired or existing, under any act or ordinance hereby repealed as cited in Section 2 of this Ordinance; nor shall any just or legal right or remedy of any character be lost, impaired or affected by this Ordinance.

9. The Planning Board is authorized to strike all references in the Zoning Ordinance which are in conflict with the BOCA Code, to retain those items specific to East Kingston which are additions to or not covered by the Code and to renumber and reissue the Zoning Ordinance.

VOTED — YES — 135

NO — 67

ARTICLE 5

Motion by David C. Andrzejewski and seconded by Donald C. Andolina to see if the Town will vote to raise and appropriate the sum of \$195,800.00, as amended from \$201,300.00 less estimated revenues to defray Town charges for the ensuing year. VOTED — YES

ARTICLE 6

Motion by Nathaniel B. Rowell and seconded by Mary Iola to see if the Town will vote to authorize the Selectmen to hire money in anticipation of taxes. VOTED — YES

ARTICLE 7

Motion by Barbara M. Metcalf and seconded by David C. Conti to see if the Town will vote to authorize the Selectmen to apply for, accept, and expend without further action by the Town Meeting money from State, Federal or other governmental unit or private source which becomes available during the fiscal year in accordance with the procedures set forth in RSA 31:95-B. VOTED — YES

ARTICLE 8

Motion by David C. Andrzejewski and seconded by Rita Fairbanks to see if the Town will vote to raise and appropriate the sum of \$1,567.00 for the Exeter Visiting Nurse Association. VOTED — YES

ARTICLE 9

Motion by Nathaniel B. Rowell and seconded by Rev. Roger B. Daly on petition of Rev. Roger B. Daly and ten others to see if the Town will vote to raise and appropriate the sum of Three Hundred Dollars (\$300.00) for the continuation of the Mediation Program. Rev. Daly gave a brief description of the Mediation Program. VOTED — YES

ARTICLE 10

Motion by Barbara M. Metcalf and seconded by Henry Lewandowski, Jr. on petition of Edward J. Morrill and eleven others to see if the Town will vote to raise and appropriate the sum of \$2,500.00 to be added to the Police Department Automobile Capital Reserve Fund. It was questioned why there was an increase of \$1000 in this sum over last year's figure. Chief Lewandowski answered that the cost for a cruiser had gone up to \$12,000. VOTED — YES

ARTICLE 11

Motion by David C. Andrzejewski and seconded by Diane Duclos on petition of Michael E. Duclos and eleven other voters of the Town of East Kingston to see if the Town will raise and appropriate the sum of \$14,500.00 for the grading and paving of Sanborn Road. This is a necessity for the health and safety of many taxpaying citizens. There was discussion regarding the dust, potholes and mud on Sanborn Road. Also, the threat of dust to the health of the residents, particularly children. There was further discussion regarding the type of road we were discussing, the maintenance schedule and priorities of the Selectmen regarding roads and the cost of resurfacing. A motion was made by Robert M. Belcher and seconded by Norman L. Adams to Pass Over the Article. A Hand Vote was taken. VOTED — YES - 38 NO - 37 Moderator Donovan declared it was a YES VOTE. VOTED — TO PASS OVER THE ARTICLE

ARTICLE 12

Motion by Nathaniel B. Rowell and seconded by Stephen W. Comack on petition of Robert Mello and nine others to see if the Town will vote to raise and appropriate the sum of Two Hundred Eighty-Two Dollars (\$282.00) to the Greater Raymond Community Action Program, part of the Rockingham County Community Action Program, Inc. a private non-profit, anti-poverty agency. This amount represents 2.5% of \$11,299.00 (eleven thousand two hundred ninety-nine dollars) the value of services rendered to East Kingston residents from September 1.

1983 through August 31, 1984. Amy Mueller-Campbell explained the work of the Greater Raymond Community Action Center.
VOTED — YES

ARTICLE 13

A Motion was made by Robert E. Fairbanks and seconded by Robert M. Belcher to deal with the Article in two separate parts. Vote on the Motion - VOTED — YES

Motion by Barbara M. Metcalf and seconded by Janet M. Reagan to see if the Town will vote to designate the following Town road by the proposed name:

A certain roadway running Easterly off North Road, so-called, to its terminus. Said road being offered by David Kinchla for acceptance by the Town at the 1984 Town Meeting. Said road to be known as TILTON LANE. Part No. 1 of the Article - VOTED — YES

A Motion by Barbara M. Metcalf and seconded by Henry Lewandowski, Jr. to see if the Town will vote to designate the following Town road by the proposed name:

A certain roadway running Westerly off Powwow River Road (107-A) to its terminus starting at property owned by David C. & Linda M. Andrzejewski to property owned by Adeline Barton. Also roadway running Westerly from Powwow River Road (107-A) to its terminus at the property of Pauline Stark. Said roads to be known as SLEEPER LANE. There was a discussion regarding the problem of finding the residences in a case of emergency, since they are on and can be seen from Powwow River Road. To give them a new address would be confusing. There was a question whether or not the road was up to Town standards. It was also mentioned that this lane consists of two roads separated by the Route 107-A overpass. David C. Andrzejewski said that the Selectmen had received a request from the family of the late Jeanette LeBlanc to so name the street thus remembering the first settlers to that area. A motion was made by Robert M. Belcher and seconded by Joseph Conti to Pass Over the Article. A Hand Vote was taken. VOTED - YES — 37 NO - 30 Moderator Donovan declared it a YES VOTE. Part No. 2 of the Article - VOTED — TO PASS OVER THE ARTICLE.

ARTICLE 14

Motion by David C. Andrzejewski and seconded by Melvin A. Keddy on petition of Elaine Bean and nine (9) others to see if the Town will vote to raise and appropriate \$500.00 for the support of the Seacoast Mental Health Center. A representative of the Seacoast Mental Health Center described the work of the Center. VOTED — YES

ARTICLE 15

Motion by Nathaniel B. Rowell and seconded by Robert M. Belcher on petition of Barbara M. Belcher and ten (10) others to see if the Town will raise and appropriate the sum of \$645.00 to assist Rockingham Child and Family Services, a private non-profit organization, to continue to provide counseling services for individuals and families of East Kingston. This \$654.00 represents the prorated uncollected amount for services already rendered last year to four residents for a total of 36 sessions. VOTED — YES

ARTICLE 16

Motion by Barbara M. Metcalf and seconded by Janet M. Reagan to see if the Town will vote to appropriate and allocate Revenue Sharing funds of \$6,856.22, said sum being made up of interest of \$639.58, unappropriated funds of \$5,265.00 and unexpended of \$951.64 to be allocated to the following projects:

Library Office Equipment	\$ 970.00
Fire Department Pagers	800.00
Police Department Radio	900.00
Office Equipment	1,300.00
Town Hall - Ramp	2,886.22

There was a discussion as to where to put the ramp for the handicapped and as to its cost. A motion was made by Donald C. Andolina and seconded by Mary Iola to Amend Article 16 by taking the \$2,886.22 figure for the ramp and applying it to the Town Clerk/Tax Collector's Office instead of the Town Hall. A Motion was made by Melvin A. Keddy and seconded by Robert E. Fairbanks to Pass Over the Motion to Amend. VOTED ON THE MOTION TO PASS OVER THE AMENDMENT — YES. A Motion was made by Robert M. Belcher and seconded by Estelle Decatur to Move the Question. VOTED TO MOVE THE QUESTION — YES
VOTE ON THE ARTICLE — YES

ARTICLE 17

Motion by David C. Andrzejewski and seconded by Susan Oechsle to see if the Town will vote to raise and appropriate the sum of \$500.00 as a contribution towards the Town's participation in the Rockingham County Household Hazardous Waste Collection Program. Jeri Weisman described the program and assured all that there would be an evaluation of the program as to the amount of waste the citizens of each Town brought on this special collection day. The Program hopes to expand next year to more collection dates. Ms. Weisman stressed that the materials should be carried in their own containers and NOT put together in a larger container. A Motion was made by Robert M. Belcher and seconded by Joseph Conti to Table the Motion.
VOTE ON MOTION TO TABLE — NO
VOTE ON THE ARTICLE — YES

ARTICLE 18

Motion by Nathaniel B. Rowell and seconded by Carol A. Davis to see if the Town will vote to raise and appropriate the sum of \$5,500.00 to pay firemen for fire calls and training and the unused portion to be put into the Fire Truck Capital Reserve Fund. VOTED — YES

ARTICLE 19

Motion by Barbara M. Metcalf and seconded by David C. Conti to see if the Town will vote to raise and appropriate the sum of \$9,000.00 to be added to the Fire Truck Capital Reserve Fund. The question was raised as to why the \$9,000.00 figure in the Article. r. Conti responded that this was a continuing program to save money toward buying a fire truck. Whether this truck will be new, part new or used will be determined at time of purchase, but the trucks now in use are old and repair parts are difficult to find. VOTED — YES

ARTICLE 20

To transact any other business that may legally come before this meeting.

Nathaniel B. Rowell mentioned the Cable Study Report in the Town Report and made a Motion, seconded by Kent Sheperd, that this Committee be a Permanent Advisory Committee. Michael Schott was assured that any member who no longer wished to serve on the Committee could resign. VOTED — YES

David C. Andrzejewski thanked Marjorie Tice Rowell for taking the job of Interim Town Clerk/Tax Collector on short notice and doing the job well. Mr. Andrzejewski presented Mrs. Rowell with a bouquet of roses. Mrs. Rowell expressed her appreciation.

Marjorie Tice Rowell, on behalf of the 250th Anniversary Committee, presented copy No. 1 of the 1985 Town of East Kingston Calendar to be kept as a permanent part of the Town Records.

A Motion was made by Kent Sheperd and seconded by Melvin A. Keddy to ask the Moderator to appoint a Committee for Salary Review.
VOTED — YES

Nathaniel B. Rowell requested that his remarks be part of the record of the meeting and then gave "A salute to David C. Andrzejewski for having done yeoman duty during his long service to the Town." Mr. Rowell spoke of how helpful Mr. Andrzejewski has been to the Board, and the assembly then joined in a round of applause.

Marjorie Tice Rowell said that she wished to thank Rita Fairbanks, the former Town Clerk/Tax Collector, for her continuous help during Mrs. Rowell's term as Interim Town Clerk/Tax Collector. It was of inestimable assistance.

Carol A. Davis asked why we voted on Articles 2, 3 and 4 by Ballot and with no discussion. Moderator Donovan explained that this method was by State Law, and that the Planning Board Hearings gave citizens the opportunity for discussion.

A Motion was made by Robert M. Belcher and seconded by Janet M. Reagan to appoint a committee to study the problem of the Giles Road overpass. Mr. Belcher said that the bridge is unsafe for fire trucks and that posed a threat to the residents of that neighborhood. It was agreed that the number of members of this committee be five.
VOTED — YES

David C. Conti, Interim Auditor, stated that, although not printed in the Town Report, he and the other Auditor, Virginia A. Corton, did audit the Town books and "found them properly cast and vouched for."

Motion by Kent Sheperd and seconded by Janet M. Reagan to adjourn the meeting. Meeting adjourned at 9:57 P.M.

Respectively submitted,
Marjorie Tice Rowell
Town Clerk

SELECTMEN'S REPORT 1985

Changes in the affairs of our Town that had been noted in recent years became more apparent during 1985 and such changing conditions will certainly become increasingly more evident in the years to come. East Kingston presently is experiencing the same problems and concerns as similar towns in the area that are close to the Massachusetts border and that are served by an expanding network of improved highways. Development of formerly vacant land into houseslots, State mandated environmental controls and continuing sophistication of school standards and facilities must surely impact on the degree of services that the Town must provide.

The Planning Board and Board of Adjustment have functioned effectively in maintaining control over subdivisions, zoning regulations and variances; their actions and decisions, however, must conform to new standards established by Federal and State authorities or by recent precedent setting court rulings.

The New Hampshire State mandate under RSA 149:M to plan for future solid waste disposal and the consequent effects on East Kingston and those neighboring towns that subscribe to the Kingston Land Fill must be addressed. The Southeastern Rockingham County Sanitary/Solid Waste Management District has been formed to study means of compliance for the present site or to recommend alternative measures. Whatever the most cost-effective solution to meet the State's requirements, the rapidly escalating costs and changes in how solid waste is managed will impose a strong influence on the Town's finances.

As a result of the State Board of Education presently reviewing proposed elementary school standards, and in anticipation of future pupil population projections resulting from expected changes in demographics, an East Kingston study group has been organized. If sufficient changes are implemented by the Department of Education, it could be that substantial alterations to our present facilities would have to be made. Certainly the subject of providing necessary educational facilities for East Kingston children will continue to be an important element of Town appropriations.

Certainly the most obvious development during 1985 has been the start of construction of our new Civil Defense building that connects the Fire Station with the Police Department. This building and the communications equipment and emergency supplies it will contain is a result of the Federal Emergency Management Agency's requirement

that East Kingston have in place an emergency response plan prior to the operation of the Seabrook Nuclear Station. All costs for the construction of the building of approximately \$40,000 and \$20,000 for equipment and supplies are being borne by New Hampshire Yankee. The much needed improvements or replacement to our present communications system at no cost to the Town is most welcomed. Although these improvements are prompted by Federal safety regulations for Seabrook, the facilities are to be utilized by all of East Kingston's Public Safety Departments; Fire, Police, Rescue, Civil Defense or any others taking action in response to local emergencies of whatever nature.

Hurricane Gloria in late September was an example of just such an emergency that activated all of the Town's Public Safety Departments. The prompt response to a threatening situation and the cooperation displayed by those departments should be an example of their commitment to the welfare of our residents.

1985 was the start of the automation of some of the Town's financial records and a computerized accounts payable system. These programs have done much to improve efficiency and standardize Town records. With the success of this first year's experience and as the business of the Town government grows, we feel that some expansion of that program in future years will prove beneficial.

Work on improving Town roads continued during 1985 with reconstruction of 900 feet of Joslin Road including new base, widening and drainage work. Throughout Town, routine maintenance, such as cold patching, grading, and brush and tree work was done. The Selectmen have requested the Highway Agent to develop a long-range program to upgrade Town roads in a manner that spreads the cost over a 5- to 7-year period following which routine yearly maintenance will insure their proper condition.

The project of updating the Town's tax maps was completed through the end of 1985. These maps have now been recorded at the Rockingham County Registry of Deeds and their copies reduced to microfilm. Copies can be purchased at the Rockingham County Registry of Deeds.

A new combined set of Zoning Ordinances, Building Codes, Subdivision Regulations and Site Plan Review Regulations has been published by the Planning Board to include all changes through 1985. Copies can be purchased at the Selectmen's office.

During the summer, members of the Planning Board met with representatives of the New Hampshire State Industrial Commission and officials of the Boston and Maine Railroad who wished to view

possible developable industrial sites adjacent to the railroad's right of way. While no further action has resulted from that visit, residents should be aware that the access to a major railroad line makes some property in Town attractive as a potential industrial site.

The Town offices, especially that of the Town Clerk/Tax Collector are already inadequate and future plans should be made for a more efficient environment for dealing with Town business. We are, therefore, requesting that a committee be appointed by the Moderator to study the problem and make recommendations to the 1987 Town Meeting

Early in 1985 a decision was made in favor of the Town of East Kingston by the State Board of Tax and Land Appeals in their hearing of an appeal for abatement presented by the Granite State Transmission, Inc. The gas company's appeal dealt with the 1982 and 1983 tax assessments on their underground pipelines in East Kingston, which if successful would have represented a substantial reduction in the assessed value established by the Town. As a result of that decision, the gas company withdrew its appeal for the 1984 tax year that was then pending before the Board of Tax and Land Appeals. While this important finding was in our favor, we have been notified that the utility considers the assessments for 1985 and subsequent years the subject of additional litigation. In that event, certainly every effort will be made by the Town to support its assessment.

1985 has seen changes as well in the people who serve our community. Fire Chief Robert Belcher retired after more than 20 years of service. Everett Stone resigned as Building Inspector and Scott Darling as Chairman of the Historical Committee. We extend our thanks to those officials for their help and dedication over the years. Some of the appointments made during the year were, David Conti, Fire Chief; Patrick Marcoux, Building Inspector; Rita Fairbanks, Health Officer; David Sullivan, Deputy Police Chief; Barbara Buchanan, Deputy Town Clerk/Tax Collector; William Wright, Historical Committee.

East Kingston must always depend on the assistance of dedicated residents who are willing to serve as an elected or appointed official or as a member of a Board or Committee. The Selectmen are grateful to those people with whom they have worked in the past year and invite others to involve themselves in Town government.

Respectfully submitted,
Nathaniel B. Rowell
Barbara M. Metcalf
Donald H. Clark

AUDITOR'S STATEMENT

We, the Auditors of the Town of East Kingston, New Hampshire, have audited the 1985 books of the Selectmen, Treasurer, Town Clerk, Tax Collector, Trustees of the Trust Funds, Library Trustees and Cemetery Committee and have found them properly cast and vouched for.

Marjorie Tice Rowell
Virginia A. Corton

POLICE DEPARTMENT REPORT - 1985

The continuing growth of the Town and the needs of the Police Department are again reflected in the Activity Statistics, compiled for 1985, resulting in increases in the demand for time and services in all areas.

Although the Police Department is a "Part Time" Agency, we have strived to improve our responses by increasing scheduled patrols, and having officers on call 24 hours a day.

We will continue to increase our motor vehicle stops, with particular attention to the drunk-driver and utilize our radar units in the most effective manner possible in stopping the serious moving violations.

The Police Department would like to extend its gratitude to the citizens of East Kingston for your cooperative effort in reporting suspicious activities in your neighborhoods, thereby continuing to make our Town a safe place to live.

Finally, I would like to thank my officers for their dedication and support the past year.

Respectfully submitted,
H. F. Lewandowski, Jr.
Chief

REPORT OF THE FIRE DEPARTMENT

I WOULD LIKE TO DEDICATE THIS REPORT TO FIRE CHIEF ROBERT M. BELCHER WHOM AFTER SERVING THIS COMMUNITY FOR OVER 35 YEARS, 22 OF WHICH WERE SERVED AS YOUR CHIEF, HAS RETIRED. BOB'S WORK OVER THE YEARS HAS YIELDED A FIRE SERVICE THAT THIS TOWN CAN BE VERY PROUD OF. HIS EFFORTS HAVE PROVIDED US WITH A SOLID FOUNDATION TO BUILD ON AS WE MEET THE CHALLENGES OF A GROWING COMMUNITY IN THE COMING YEARS.

As we look at the results of the Fire Departments calls for 1985, it is clear that the focus of our efforts has become to assist the Rescue personnel at auto accidents. During the past year we have purchased more rescue related equipment for Engine 3.

We have also held CPR training for all Fire Department members and will be repeating this training on March 25 & 27th for anyone interested in attending.

The Department will be forming a Truck Committee soon to begin the process of writing the specifications for a truck purchase to be presented to the voters at the March 1987 Town Meeting.

We hold regular training meetings on the second and fourth Tuesday evenings from 7-9 P.M. Anyone interested in joining the Fire Department is welcome to attend. We are a very small community and we need the help of all our townspeople to provide the increasing demand for services of the Fire Department.

Just a reminder, anyone installing oil burning equipment in their home is required to have a PERMIT TO OPERATE OIL BURNING EQUIPMENT. This also applies to replacement equipment.

Also TOT FINDERS are available from the Fire Chief upon request.

TO REPORT A FIRE - CALL 642-5266

Respectfully submitted,
David J. Conti, Fire Chief

EAST KINGSTON EMERGENCY SQUAD REPORT

Now in the East Kingston Emergency Squad's 8th Year, we have been very busy with emergency runs.

There are six squad members; each has continued to maintain their training with Seminars, Workshops, and Recertification Programs.

There are three new members working with Kensington in Advanced First Aid to be qualified New Hampshire Ambulance Attendant Licensed.

If anyone is interested in becoming a member of the Squad, please call me.

Please feel free to call any member for help. In an emergency call Seacoast Ambulance in Exeter at 772-5912, and the Squad will also respond directly to your home

Sincerely,
Austin R. Carter

1985
**REPORT OF THE COORDINATOR OF
THE OFFICE OF EMERGENCY MANAGEMENT
(Civil Defense)**

In 1985 the largest part of Emergency Management time (over 450 hrs) was spent working on developing the Radiological Annex to the East Kingston Emergency Plan. This Annex deals with how the town should react to an incident at New Hampshire Yankee at Seabrook. There was a practice exercise to test the Annex on December 12 with the Selectmen and other Town Department Heads participating. Training sessions for town emergency workers have been held and more are scheduled. I will try to have a copy of the complete Town Emergency Plan available at the Town Hall all day March 11, Town Meeting and Election day.

During late September the Town's Emergency Response personnel were mobilized in preparation for Hurricane Gloria. Much of the planning that had been initiated by the Radiological Annex was utilized during the preparation for this potentially dangerous storm. The cooperation of all town departments during this storm proved that emergency planning can be effective.

Emergency planning is not limited to one person or one department. The town needs the efforts of all its officials and residents in developing effective plans. If you have any talents or resources that you think may be usable to the town in time of emergency, please contact me.

Again this year I am including a questionnaire with this report to update our Emergency Locator File. The information requested on the form helps our Fire, Rescue, and Police Departments quickly locate your home in an emergency. PLEASE help us help you. If you have already completed the questionnaire and there have been no changes in who is residing with you or house appearance you do not need to fill it out. If you have moved into town since September 1984 please complete and return the form. As always the information will be held in confidence.

As in the past I will be available in the Town Hall all day on Election Day, March 11. Please come and vote, and then stop by and let me know of any concerns you have relating to East Kingston's Emergency Plans.

Respectfully submitted,
Robert E. Fairbanks
Coordinator
Office of Emergency Management
642-5382

ANNUAL REPORT OF THE EAST KINGSTON VOLUNTEER FIREMEN'S ASSOCIATION

In April the 37th Annual Meeting and Pot Luck Dinner was held, with the election of Association officers for 1985-86 as follows:

President	Jack Fillio
Vice-President	Shari Mazur
Secretary	Robert Reagan, Sr.
Treasurer	Pat Mazur

Other Association activities included the Annual Dog Registration and Rabies Clinic; maintenance of the Foss Wasson Field Association buildings and the Town Fire Building; and attendance at the Community Church for services on Firemen's Sunday.

On August 10th, the 26th Annual Lobster Festival was held at Foss Wasson Field. Other fund-raising activities included serving barbecued chicken at Kingston Carnival; assisting with the parking at the Kingston Rock Concert in September; and many other activities designed to raise money in support of the Voluntire Fire Department.

In October, we greeted youngsters during "Trick or Treat" night at the Fire Station, and in December assisted Santa Claus during his annual visit to East Kingston.

People make the Association work successfully, and we welcome all who wish to contribute. The Association meets at 7:30 P.M. on the first Tuesday of each month where we all have an enjoyable evening, meet new friends and together work to support the Volunteer Fire Department and the Town.

Respectfully submitted,
Jack Fillio
President, E.K.V.F. Assoc.

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Between July 1984 and June 1985, we experienced more forest fires throughout our state than in any year in the last 50. Two of the leading causes of the 1,605 fires were children and fires kindled without written permission of a Forest Fire Warden. Both causes are preventable, but only with **your** help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of state timber harvest regulations is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden.

If you own forest land, you will become responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

FOREST FIRE STATISTICS - 1985

Number Fires Statewide	1,605
Acres Burned Statewide	1,580
Cost of Suppression	\$246,017
District 9 Fires	668
Acres	513.5

**ANNUAL REPORT
EAST KINGSTON BOARD OF ADJUSTMENT
1985**

The East Kingston Board of Adjustment meets as requested to consider petitions by individuals for relief from the general application of the zoning laws of the Town. Adjustments and/or variances may be granted under certain limited conditions following a public hearing where all interested parties may voice their opinions regarding the requests at hand.

The Board met twice during 1985 at the request of the following:

1. E. Melvin Bowley - Requested building permit after allocation for the year had been issued. Denied.
2. Patricia Keegan o/b/o Gino De Santis - Reviewed revisions of septic system plans. Approved.

Applications for variances may be obtained from the Selectmen's office or from Mrs. Carolyn Merriam, Clerk, Board of Adjustment.

William R. Osgood
Chairman

**TOWN WARRANT
and
TOWN BUDGET**

State of New Hampshire

STATE OF NEW HAMPSHIRE

THE POLLS WILL BE OPEN FROM 10:00 A.M. to 7:00 P.M.

To the inhabitants of the Town of East Kingston in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Town on Tuesday, the Eleventh day of March, next at 10:00 of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To see if the Town will vote for the adoption of Amendment No. 1 as proposed by the Planning Board for the Town Zoning Ordinance as follows:
Article VI-A
Cluster Development Option

A. Purpose

Cluster Development is intended to:

- (1) Enable and encourage flexibility in the design of residential development;
- (2) Encourage land use patterns which preserve wetlands, trees, topsoil, outstanding natural topography and geologic features;
- (3) Preserve the natural and scenic qualities of East Kingston's open land for conservation and recreational use;
- (4) Promote the most appropriate use of land in accordance with the objectives of East Kingston's Master Plan.

B. Procedure

- (1) Application procedures shall be the same as those required by the Town for a subdivision including a Site Plan Review.
- (2) The application shall include an impact statement which details the benefits of the cluster option to the Town and to the developer.

(3) The Planning Board will review the Subdivision Plan including a Site Review and the impact Statement, make recommendations for modification as it thinks proper to protect the Town and the neighborhood adjacent to the site.

C. Standards and Conditions

(1) Provided that conditions below are met, and that overall density does not exceed one dwelling per 87,120 square feet, detached single family dwellings may be clustered and lot sizes reduced to a minimum of 43,560 square feet and frontage requirements reduced to a minimum of 100 feet.

(2) No cluster development shall contain less than 10 acres.

(3) Soil classified by the Soil Conservation Service USDA as "Poorly Drained" or "Very Poorly Drained" shall not be used for building or the disposal of septic tank effluent.

(4) A minimum of 50% of a Cluster Development shall be retained for open space, conservation, agricultural and/or recreational use, which shall be preserved in perpetuity by restrictive covenant, enforceable by any citizen of East Kingston or by the Town of East Kingston.

(5) With the exception of taxes due the Town of East Kingston, streets and undeveloped open space shall be held, managed, and maintained by the developer until owned in one or more of the following ways:

(a) In common, by all owners of the tract (such as Homeowner's Association), for the control and maintenance of common open space and/or private roadways;

(b) By the Town of East Kingston which may at its option at any time accept dedication of any common open space for perpetual public use and maintenance;

(c) By a Conservation Trust.

(6) Each lot in the subdivision shall be assessed, for tax purposes, on the basis of the actual land area of the lot plus a fraction of the open space land area. The fraction shall be a proportion of 1.0 divided by the number of building lots in the subdivision.

(7) All agreements, deed restrictions, organizational provisions for a Homeowner's Association, and any other method of management of the common land shall be approved by the Planning Board.

(8) No portion of the common open space shall be conveyed in a manner which would result in a non-compliance with this ARTICLE.

(9) The Cluster proposal shall otherwise adhere to all applicable provisions of East Kingston's Subdivision and Site Plan Review Regulations.

(To be voted on by ballot)

3. To see if the Town will vote the adoption of amendment No. 2 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To add to Article VI, Section C, the Words "except as provided in Section G below"; and to add to Article VI a new Section G as follows:

"Two family dwellings shall be permitted (as a Special Exception granted by the Board of Adjustment) only if all of the following conditions are met:

1. There shall be no more than one residential building per lot.
2. There shall be no more than two dwelling units per lot.
3. 300 feet of frontage
4. Minimum lot size of three acres
5. Septic system meet minimum standards of the N. H. Water Supply and Pollution Control Commission for six bedrooms.
6. Each dwelling or apartment shall have at least 800 feet of floor area
7. All other provisions of this ordinance are satisfied

(To be voted on by ballot)

4. To see if the Town will vote the adoption of amendment No. 3 as proposed by the Planning Board for the Town Building Code in Section 2 as follows:

To add the following sentence to Section 2 of the Building Code immediately after the words "\$.05 per square feet":

"The building permit fee for all other types of structures shall be \$10.00"

(To be voted on by ballot)

5. To see if the Town will vote the adoption of amendment No. 4 as proposed by the Planning Board for the Town Building Code as follows:
To delete Section 9 of the Building Code which reads as follows:

The Planning Board is authorized to strike all references in the Zoning Ordinance which are in conflict with the BOCA Code, to retain those items specific to East Kingston which are additions to or not covered by the Code and to renumber and reissue the Zoning Ordinance.

(To be voted on by ballot)

6. To see if the Town shall adopt the provisions of RSA 72:37 for the exemption for the blind from property tax. This statute provides that every inhabitant who is legally blind shall be exempt each year from Property tax on a residence to the value of \$15,000.00.

(To be voted on by ballot)

7. To see if the Town will vote to raise and appropriate the sum of \$255,365.00 less estimated revenues to defray Town charges for the ensuing year.

8. To see if the Town will authorize the Selectmen to hire money in anticipation of taxes.

9. To see if the Town will vote to authorize the Selectmen to apply for, accept, and expend without further action by the Town Meeting, money from State, Federal or another governmental unit or private source which becomes available during the fiscal year in accordance with the procedures set forth in RSA 31:95-b.

10. To see if the Town will vote to authorize the prepayment of property taxes and authorize the Collector of Taxes to accept payments in prepayment of taxes as provided in RSA 80:52-a.

11. To see if the Town will vote to authorize the prepayment of the resident Tax and to authorize the Collector of Taxes to accept such prepayment as provided for in RSA 80:11-a

12. To see if the Town will vote to appropriate and authorize the withdrawal from the Federal Revenue Sharing fund \$9,767.60 said sum being made up of interest of \$579.35, unappropriated funds of \$5,315.00 and unexpended funds of \$3,873.25 to be allocated to the following projects:

Library Equipment	\$2,200.00
(bookshelves and Electric typewriter)	
Police Department	238.00
(Two timers for flashing yellow lights)	
Town Hall	\$2,886.00
(ramp)	
Town Hall	\$2,300.00
(Office Equipment)	
Town Hall	\$2,143.60
(repairs)	

13. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 as their share of the budgeted 1986 costs associated with the Southeastern Rockingham County Sanitary Solid Waste Management District (SERCSSMD) as required under N. H. RSA 149-M.

14 To see if the Town will vote to raise and appropriate the sum of \$1,618.00 for the Exeter Visiting Nurse Association.

15. To see if the Town will vote to authorize the Planning Board to prepare and subsequently amend a recommended program of capital improvement projects projected over a period at least (6) years to aid the Board of Selectmen in their consideration of the annual budget, all as authorized by RSA 674:5-8.

16. To see if the Town will vote to raise and appropriate the sum of \$7,000.00 to be used to defray part of anticipated costs for activities to celebrate, in 1988, the 250th anniversary of the Town's incorporation. The total projected cost of this project is \$20,000.00 and as the amount requested is roughly one-third, like sums will also be sought in 1987 and 1988. This is to ensure that money will be available to pay for the celebration events when the time comes. Any unused appropriated funds, as well as monies raised through various activities, will be returned to the Town.

17. To see if the Town will vote to accept the report of the Salary Review Committee and approve the following recommendations:

Supervisors of the Checklist	\$75.00 per election (1) (2)
Moderator	\$75.00 per election (1)
Election Officers: Selectmen	
inspectors of Election, Town Clerk	\$35.00 per election (1)
Bookkeeper of the Trust Funds	\$300.00 per year - no fees
Treasurer	\$750 per year - no fees
Auditors	\$300 per year - no fees (3)
First Selectman	\$1500 per year - no fees
Second & third Selectmen	\$1200.00 per year - no fees
Town Clerk - Tax Collector	\$7,000.00 per year - no fees

(1) Election pay included any associated meeting until adjournment thereof.

(2) For performing all registration and required duties before each election and for working as full time election officers.

(3) For performing all audits including regular annual audits and any special audits that may be required.

(4) Salary is based on the Town Clerk/Tax Collector's participation in a minimum of 12 (twelve) public office hours per week with 2 (two) weeks vacation per year.

The following provisions shall also apply:

A. All salaries shall be retroactive to January 1, 1986.

B. All fees Collected by any elected Town Official shall be retained by the Town.

C. It is recommended that a Salary Review Committee be appointed by the Moderator in 1990 to bring salary recommendations to the 1991 Annual Meeting of the Town, and that Subsequent reviews continue to be conducted at intervals not to exceed five (5) years.

18. On Petition of Ronald Goodspeed and thirten (13) others to see if the Town will limit traffic on Sanborn Road to local traffic, excluding all truck traffic other than those trucks pertaining to specific agricultural application. Also to request that the speed limit be lowered to reflect the residential setting of the road. These requests would reduce total maintenance costs.

19. On petition of Ronald Goodspeed and fourteen (14) others to see if the Town will vote to raise and appropriate \$500.00 for the support of the Seacoast Mental Health Center.

20. On petition of Reverend Roger B. Daly and ten (10) others to see if the Town will vote to raise and appropriate the sum of Three Hundred Dollars (\$300.00) for the continuation of the Mediation Program.

21. On petition of Robert C. Mello and eleven (11) others to see if the Town will vote to raise and appropriate the sum of \$455.00 (Four hundred and fifty dollars) to the Greater Raymond Community Action Program, part of the Rockingham County Community Action Program, Inc. a private, non-profit anti-poverty agency. This amount represents 3.5% of \$13,005.00 (thirteen thousand five dollars) the value of services rendered to East Kingston residents from September 1, 1984 through August 31, 1985.

22. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 (ten thousand dollars) to be added to the Fire Truck Capital Reserve Fund.

23. On petition of Reverend Roger B. Daly and 9 others to see if the Town will raise and appropriate the sum of \$1,793.00 to assist Rockingham Child and Family Services, a private, non-profit agency in continuing to provide counseling services for individuals and families of the Town of East Kingston. This \$1,793.00 represents a portion of the uncollected costs of services already rendered to residents of East Kingston during the period from July 1, 1984 through June 30, 1985.

24. On petition of H.F. Lewandowski, Jr. and ten (10) others to see if the town will vote to raise and appropriate the sum of \$3,100.00 for the Police Department Automobile Capital Reserve Fund.

25. On petition of H. F. Lewandowski, Jr. and ten (10) others to see if the Town will vote to transfer the sum of \$8,281.00 from the Police Department Automobile Capital Reserve Fund, established for the purpose of the acquisition of a police cruiser and related equipment and to authorize the purchase of a new police cruiser and related equipment with said sum.

26. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 24 day of February, in the year of our Lord nineteen hundred and eighty six.

A true copy of Warrant - Attest:

Nathaniel B. Rowell
Barbara M. Metcalf
Donald H. Clark
Selectmen of East Kingston

BUDGET OF THE TOWN OF EAST KINGSTON, N.H.
This Budget shall be posted with the Town Warrant

REPORT OF THE HEALTH OFFICER

This year was perhaps the Health Officer's busiest ever. The number of health related complaints was somewhat lower but the requests to view percolation tests were increased.

The yearly water testing was done on all public buildings. As usual satisfactory results were obtained. The State Department of Health Inspectors and I made annual inspections on all commercial establishments in Town. I would like to take this opportunity to thank those involved for their cooperation during these inspections.

From early February to late May I was enrolled in the courses at Stratham Vocational Technical School. One was for Radiological Monitoring and the other was for becoming a member of a Radiological Response Team. Both of these courses will allow your Health Department to respond safely and efficiently to any Radiological incident which may occur within our Town.

In East Kingston, the Health Officer and the Board of Selectmen constitute the Board of Health. In order for the Health Officer to conduct an investigation, a complaint has to be received. So far I have been successful in keeping complaintants' names confidential. If you are aware of a situation which affects the health of the community, please contact me.

Sincerely,
Rita Fairbanks
Health Officer

RECREATION COMMITTEE REPORT 1985

We regretfully accepted the resignations of two members this year. Pat Mazur, who has given this committee many years of her time, and Becky Chestnut both resigned. Our thanks to them and we would welcome new members anytime.

We held the fishing derby during April along with the Police Department and the Fish and Game.

Heidi Rockwood, assisted by Sheri Marcella directed the summer program. They both did a super job. In October we held a Halloween Party and again Mr. and Mrs. Bruce Levis donated the apples for this event. Santa Claus came to the town hall during the Christmas Season. he passed out gifts and visited with the children.

We also funded the Merry Seniors and Little League this year. Peter Jewett bought us much needed uniforms for the team. The kids are really proud to wear them and our thanks to him for his generosity. This past spring we had a large number of kids and therefore we are able to add a minor league team. Ed Oechsle, Diane Castine and Glen Clark deserve a lot of credit for their time and effort with these two teams.

We would also like to thank Robert Reagan and Austin Carter for their support of our activities.

EAST KINGSTON HISTORICAL COMMITTEE REPORT 1985

Major Work of the Year:

1. Read and discussed writings of Abraham Brown a local historian of the 1880s.
2. Continued with tour-about-town identifications and pictures.
3. Worked with Calendar Committee.
4. Dr. Finch:
 - a. Continued land deed file.
 - b. Added to wills.
 - c. Began file of obituaries.
5. Began a file of 35 mm slides for possible use in the 250th Celebration.

This year we were fortunate in receiving a new member William Wright. Bill has been a long-time resident of East Kingston and will be a valuable addition to us. We were unfortunate in the resignation of Scott Darling and wish to express our appreciation for the time and efforts given to the committee while a member.

Ardith Polletta, Chairperson

REPORT OF THE 250th ANNIVERSARY COMMITTEE

In 1985 the Committee produced two tangible products. In mid-February it sponsored a Social which was held at the William Rosenberg Conference Center, and in the Fall presented the East Kingston Pictorial Calendar for 1986.

The Social, despite the cold weather, was well attended and very successful. The Committee thanks the staff of the William Rosenberg Conference Center who helped in so many ways to make everything run smoothly. We are especially grateful that so many people attended. Their support was appreciated.

The 1986 Pictorial Calendar is the second in a proposed series, and contains more interesting material on east Kingston. This is produced jointly by the Anniversary and Historical Committees, and to the latter we express our thanks for the help so generously given in providing pictures, checking captions, and general all-around support.

The Anniversary Committee will continue to meet and plan for the celebration in 1988. We respectfully solicit your input, ideas, and suggestions. This is your Committee and your celebration. We invite your participation in planning for a memorable 250th Anniversary.

Daniel Bodwell, Chairman

ANNUAL REPORT OF ANIMAL CONTROL OFFICER 1985

Complaints against dogs investigated	19
Dogs reported lost	32
Dogs reported found	4
Dogs impounded	10
Dogs returned to owner	8
Dogs placed in new homes	2
Dogs destroyed	4
Dog bites reported	2
Cats reported lost	4
Cats impounded	1
Cat reported found	1
Cat placed in new home	1
Cat returned to owner	1
House horses investigated	2
Injured skunk investigated	1
House pigs and sheep investigated	1
Rabbit impounded	1
Rabbit still here	1

A Rabies Clinic will be held on Saturday, April 5, 1986 from 1:00 PM to 3:00 PM. Vaccinations for dogs and cats will be \$4.00 each, and the Town Clerk will be on hand to license dogs. The Clinic will again be held at the Fire Station, and a portion of the proceeds will be donated to the Fire Department.

In 1985 I investigated several incidences where a dog or dogs attacked other animals, sometimes fatally. Even small dogs are capable of chasing and killing cats, sheep or poultry and all dog owners should be aware of the damage inflicted by unsupervised pets.

Robert A. Marston

EAST KINGSTON PUBLIC LIBRARY
Report for 1985

Our library continues to serve a real need in East Kingston. Mrs. Polletta does a wonderful job for all ages.

The summer reading program was very successful, with about thirty children participating.

"Sarah," our copier, does a land-office business, supplying a real need.

Mr. and Mrs. Polletta gave the library a film strip projector and films for it. A real contribution, very much appreciated!

Scott Darling is an invaluable member of our board. He has made new shelves in unused places, and his advice is always good. Mrs. Andrefskis takes good care of our money.

We now have a story hour on Wednesday mornings which attracts many small children and their mothers.

Altogether I think the library is in excellent shape, but we do need a new bookcase!

Margaret C. Tilton
Chairman
Board of Trustees

Linda M. Adrezejewski
Treasurer
East Kingston Public Library

REPORT OF THE BUILDING INSPECTOR

In the Calendar Year 1985 there were 38 building permits issued in the town of East Kingston. As Building Inspector I attended various meetings of the Planning Board and Board of Adjustment. Break down of permits as follows:

- 15 - House Permits
- 3 - Barns
- 5 - Garages
- 15 - Additions and Home Improvement
- 10 - Perk Tests

Respectfully submitted,
Patrick Manory
Building Inspector

EXETER AREA VISITING
NURSE ASSOCIATION, INC.

Throughout 1985 this Agency has continued to provide a variety of health care services to the residence of your town. As the focus of healthcare continues to shift from the institutional provider to the individual, home health care and community-based health promotion/disease prevention programs become increasingly important to your residents.

In this regard I am pleased this overview of services provided to your town's residents during 1985:

- 30 Nursing visits to the home — care during illness or after hospitalization.
- 4 Home visits by Physical, Occupational and Speech Therapists.
- 6 Home visits by Health Aides.
- 38 Blood Pressure screenings.
- 2 Blood Sugar and Iron screenings.
- 12 Footcare Clinic visits.
- 16 Flu Immunizations.
- 1 Prenatal Counseling.
- 13 Home visits to Mothers and Children.
- 12 Well-Child clinic visits (children birth to six years of age).

The total value of these services rendered to your townspeople during 1985 was \$4,178.00. For the same period, your Town's appropriation was \$1,567.00, or approximately 38% of their cost.

This Agency receives limited funding from federal, state and private sources, and we therefore rely heavily upon the support we receive from the townspeople we serve.

We ask that for 1986, your town again appropriate \$1.30 per person, for a total assessment of \$1,618.50, so that we may continue to provide these needed services. Please note that this year's per capita assessment is **not** increased, even though health care costs have risen. Any increase in this year's assessment over last year's is due to an increase in the Town's population base. We are firmly committed to providing quality healthcare at the lowest possible cost.

I thank you in advance for your continuing support and for the opportunity to serve your town. Please contact me or the representative(s) you have appointed to this Agency's Board of Directors if you have any questions or needs.

Yours very truly
Robert T. Brzycki
Executive Director

ANNUAL REPORT EAST KINGSTON PLANNING BOARD

The Planning Board meetings are held in the Town Hall on the third Wednesday of every month. Everyone interested is welcome to attend.

The Planning Board had a busy year in 1985. We handled nine (9) Subdivisions requests and approved eight (8) of them, for a total of twenty-one (21) lots. We also signed two (2) plot plans.

The Board has had Thomas Morgan of the Rockingham Planning Commission working for two days a month to get our records and files up-to-date. He has also been helping to get the Master Plan brought up-to-date as we have to revise it in 1986.

We also changed the Driveway Permit to be more easily understood.

The Cluster Zoning option did not pass at the March Town Meeting, but we feel it is so important that we are going to try it again in March 1986 Town Meeting.

We are also going to offer a Duplex Option at the March Town Meeting.

It now looks as if we will have an even busier year in 1986.

Richard A. Smith, Sr.
Chairman

SUPERINTENDENT OF SCHOOLS

Wayne F. Gersen

SPECIAL SCHOOL DISTRICT MEETING

The Special School District meeting was called to order by Moderator Robert Donovan at 7:05 pm, Tuesday, November 26, 1985 at the East Kingston Town Hall.

There being no objection from the floor, reading of the entire Warrant was waived.

ARTICLE I To see if the District will vote to raise and appropriate the sum of \$60,000.00 to enable the district to purchase the land and buildings owned by the late Marion B. Cole, and to authorize the School Board to negotiate the purchase and terms thereof and to sign any and all documents necessary or required in connection with said purchase.

Motion made by Mel Bowley and seconded by Dave Conti that the District vote to raise and appropriate the sum of \$60,000.00 to enable the District of purchase the land and buildings owned by the late Marion B.. Cole, and to authorize the School Board to negotiate the purchase and the terms thereof and to sign any and all documents necessary or required in connection with said purchase.

Francis Cronin questioned the cost of the property and the need for it. Mel Bowley and Dave Conti explained the Board feels this proposal would be the most feasible and logical extension of the property now owned by the District to meet possible future needs. State mandated programs, such as public kindergarten, will make additional space necessary. In order to receive the 30 percent state aid for building reimbursement, additional land will be needed.

Ralph West Jr. asked the Board to clarify the purchase of the property. Mel Bowley explained the \$60,000.00 would be added to the \$12,961.47 received from the Augenblick money for a purchase price of just under \$73,000.00.

Barbara Metclaff asked for a clarification of the kindergarten issue. Dave Conti explained the State Board says it is a modification of an existing program so the State does not have to fund it. It would cost the District \$101,000.00 to implement the program, which is not in the schedule for this year, but probably will be within the next couple of years.

In response to a question Dan Guilmette, SAU #16 Superintendent Wayne Gersen explained the status of the hot lunch program would only change if the funding were to go through bonding.

Vic Porro wanted to know what benefit someone who did not have children would get out of this other than an increase in taxes. He also suggested the District should find some other way of raising money, such as selling some of the property owned by the town. Dave Conti explained the

amount of increase in taxes will be less if the land is purchased now rather than later. He also explained that what the town owns and what the School District owns are two separate things. Also in response to Mr. Porro, Mr. V. Kasinkas pointed out that first, a good school system is a positive reason for moving into a town and that increases the property values. Second, the children are the future and what we do for them reflects on and benefits everyone.

There being no more discussion, it was again explained this was a one time appropriation. Moderator Donovan explained the vote would be by ballot and the polls were declared open. After everyone had voted that wanted to the polls were declared closed. 63 votes were cast: 35 yes; 28 no. The motion passed.

In response to a question from the floor, Moderator Donovan explained the one time appropriation only requires a simple majority vote, not the two-thirds required by a bond issue.

ARTICLE II To see if the District will:

(a) Appropriate the sum of \$60,000.00 for the purpose of financing and purchasing the land and buildings owned by the late Marion B. Cole, such sum to be raised by the issuance of Serial Bonds or Notes of the School District, not exceeding the sum of \$60,000.00 under and in compliance with the provisions of the Municipal Finance Act (Chapter 33 of the New Hampshire Revised Statutes Annotated and any amendments thereto) and any other enabling authority;

(b) Authorize the School Board to issue and sell such Bonds or Notes and determine the rate of interest to be paid thereon as may be necessary to effect the issuance, negotiation, sale and delivery of such Bonds or Notes as shall be in the best interests of the School District of East Kingston, New Hampshire;

(c) Any other action in connection with the foregoing matters or any of them.

Being unnecessary because of the vote on Article I, a motion to pass over Article II was made by Joe Conti, seconded by Howard George, and so voted.

ARTICLE III To see if the District will vote to apply for and expend such State Aid Funds to which it is entitled for the fiscal year 1986 in accordance with the provisions of RSA 198:27-33 as inserted by Chapter 244 of the Session Laws of 1985, any sums received therefrom to be applied to the purchase of the land and buildings owned by the late Marion B. Cole.

Motion made by Luanne Castonguay and seconded by Mel Bowley that the District vote to apply for and expend such State Aid Funds to which it is entitled for the fiscal year 1986 (\$12,961.47) in accordance with the provisions of RSA 198:27-33 as inserted by Chapter 244 of the Session Laws of 1985, any sums received therefrom (\$12,961.47) to be applied to the purchase of the land and buildings owned by the late Marion B. Cole.

Ron Metcalf asked where the money was coming from. The question was referred to Superintendent Gersen, who explained the State has a new method for distributing State Aid to School District named for John Augenblick, who developed it. The District earned the money by its efforts in funding education. Bob Fairbanks questioned whether the money could be used to reduce taxes. Superintendent Gersen explained the District would be penalized the following year by receiving less State Aid if the money is used to reduce taxes. The intent is to help communities pay for quality education, not lower taxes. Voted yes.

ARTICLE IV To see if the District will vote to apply for and expend such State Aid Funds to which it is entitled for the fiscal year 1986 in accordance with the provisions of RSA 198:27-33 as inserted by Chapter 244 of the Session Laws of 1985, any sums received therefrom to be applied to the general purposes of the District.

It being unnecessary to vote on Article IV, a motion to pass over was made by Francis Cronin, seconded by Dusty Decatur, and so voted.

Motion to adjourn was made by Janet Reagan, seconded by Forrest Decatur, and so voted at 8:05 pm.

Respectfully submitted
Catherine J. George
School District Clerk

EAST KINGSTON SCHOOL DISTRICT OFFICERS

Elected by ballot on Tuesday, March 12, 1985, at the East Kingston Town Hall.

School Board Member for three years
Louise Anne Castonguay

**SCHOOL DISTRICT WARRANT
STATE OF NEW HAMPSHIRE**

To the inhabitants of the School District of the Town of East Kingston, County of Rockingham, State of New Hampshire, qualified to vote upon District Affairs:

You are hereby notified to meet at the Town Hall in said East Kingston on Tuesday, the Eleventh of March, 1986, to choose the following School District Officers, by ballot, the polls to open at ten of the clock in the forenoon, and to close not earlier than seven of the clock in the evening:

1. To choose a Moderator for the ensuing year.
2. To choose a School District Clerk for the ensuing year.
3. To choose a Treasurer for the ensuing year.
4. To choose Two Auditors for the ensuing year.
5. To choose a member of the School Board for the ensuing three years.

Given under our hands at said East Kingston on this____ day of February, 1986.

E. Melvin Bowley
David Conti
Louise Anne Castonguay
School Board of East Kingston,
New Hampshire

A true copy of Warrant - Attest

E. Melvin Bowley
David Conti
Louise Anne Castonguay
School Board of East Kingston,
New Hampshire

I certify that on the 10th day of February, 1986, I posted a copy of the within warrant, attested by the School Board of said District, at the place of meeting within named, and a liked attested copy at the East Kingston Post Office, being a public place in said District.

E. Melvin Bowley
Chairperson
East Kingston, NH, School Board

Rockingham, ss.

Personally appeared the said E. Melvin Bowley and made oath that the above certificate by him signed is true.

Before me,
Margaret A. Meyer
Justice of the Peace

**SCHOOL WARRANT
STATE OF NEW HAMPSHIRE**

To the Inhabitants of the School District of East Kingston, in the County of Rockingham and said State, qualified to vote in District Affairs:

You are hereby notified to meet at the Town Hall in said East Kingston on the Fourth day of March, 1986, at 7:00 o'clock in the evening to act upon the following subjects:

1. To see if the District wishes to request from the Commissioner of Education a waiver of the requirements stated in RSA 189:11-a which requires the establishment of a school lunch program.

2. To see if the District will vote to authorize the School Board to apply for, accept and expend, without further action by the School District Meeting, money from any source which becomes available during the fiscal year. Said money must be used for legal purposes for which the School District may appropriate money; requires a public hearing on the action to be taken; and must not require the expenditure of other School District funds.

3. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of the salaries for school district officials and agents and for the payment of the statutory obligations of the District.

4. To hear reports of agents, auditors, and committees or officers heretofore chosen and to pass any vote relating thereto.

5. To transact any other business that may come before this meeting.

Given under of hands at East Kingston this 5th day of February, 1986.

E. Melvin Bowley
David Conti
Louise Anne Castonguay
School Board of East Kingston, NH

A true copy of Warrant - Attest:

East Kingston School Board

Rockingham, ss.

Personally appeared the Said E. Melvin Bowley and made oath that the above certificate by him signed is true.

Before me,

Margaret A. Meyer

Justice of the Peace

EAST KINGSTON SCHOOL DISTRICT MEETION

The annual meeting of the East Kingston School District was called to order by Moderator Robert Donovan at 7 pm, on Tuesday, March 5, 1985, at the Town Hall. He explained this was the business meeting of the district and the officers would be elected by ballot on Tuesday, March 12, 1985, between 10 am and 7 pm at the Town Hall.

A motion to waive the reading of the Warrant as each Article will be read as it is acted on was made by Mary Ann Grey, seconded by Dusty Decatur, and so voted.

ARTICLE I On petition of forty-six (46) legal voters to see if the District will vote to raise and appropriate the sum of \$2,754.08 (Two Thousand, Seven Hundred Fifty Four Dollars and Eight Cents) to provide funds for a part-time (1/5 time - 1 day a week) Art Teacher at the East Kingston Elementary School.

Moderator Donovan prefaced the reading of the Article with the information that a petition had been received requesting that vote on the Article be done by secret ballot. He explained this would be done following any discussion on the Article.

Motion was made by Henry O'Bara and seconded by Nancy Smith.

Henry O'Bara and Dick Streeter presented several reasons why Art is important at the Elementary level.

Vote by ballot: 82 cast - 54 yes and 28 no. Motion passes.

ARTICLE II On petition of forty-six (46) legal voters to see if the District will vote to raise and appropriate the sum of \$2,754.08 (Two Thousand, Seven Hundred Fifty Four Dollars and Eight Cents) to provide funds for a part-time (1/5 time - 1 day per week) Physical Education Teacher at the East Kingston Elementary School.

Moderator Donovan explained that another secret ballot would be taken after discussion on the Article.

Motion made by Donna Cronin and seconded by Jim Nupp.

Jim Nupp explained there would be no Physical Ed program at the elementary school next year if this Article did not pass, as the present teacher could not continue to do it. Several reasons why a Phys. Ed program is important were given. Concerns and questions answered: Teacher education programs do not have Phys Ed as part of their requirements. According to current rulings we are already over the limit that allows a union for teachers; these teachers would not make a difference. Legal risk for liability is no different whether instructor is qualified or not. Combining

two grades because of low enrollment is not being considered at present. Cost of hiring substitutes to cover for teaching principal would outweigh savings. Now present staff is able to cover in most instances.

Motion made by Ed Oechsle to move the question, seconded by Dusty Decatur. Voted yes.

Proceeded to ballot vote on Article: 85 votes cast - 52 yes, 33 no. Motion passes.

ARTICLE III To see if the District will vote to authorize the School Board to apply for, accept and expend, without further action by the School District Meeting, money from any sources which becomes available during the fiscal year. Said money must be used for legal purposes for which the School District may appropriate money; requires a public hearing on the action to be taken; and must not require the expenditure of other School District funds.

Motion made by Mel Bowley, seconded by Jim Grey.

In answer to a question by Marge Streeter concerning the expending of the funds voted on in Articles I and II, Moderator Donovan explained the Board is only held to a bottom line figure, the total amount appropriated. Board members Mel Bowley and Dave Conti both stated they would abide by the will of the voters and use the monies to hire the Phys Ed and Art Teachers.

In answer to another question, it was explained this Article is just to allow the Board to expend any money that may become available.

Motion voted yes.

ARTICLE IV To see what sum of money the District will vote to raise and appropriate for the support of schools, for payment of the salaries for school district officials and agents and for the payment of the statutory obligations of the District.

Motion made by Sue Oechsle to raise and appropriate the sum of \$764,842.28 (Seven Hundred Sixty-Four Thousand, Eight Hundred Forty-Two Dollars and Twenty-Eight Cents) for the purpose of this Article. This sum includes the amounts from Articles I and II. Seconded by Mel Bowley. Voted yes.

ARTICLE V To hear reports of agents, auditors, and committees or officers heretofore chosen and to pass any vote relating thereto.

Motion by Dave Conti, seconded by Jim Grey. Voted yes.

ARTICLE VI To transact any other business that may come before this meeting.

The new heating system at Andrew's Lane building was able to be done under the bid price. Dave Conti expressed the thanks of the Board to David Kinchla for making this possible. This was endorsed by a round of applause from the voters.

Savings of gas over the electric was \$1800.00 from October to February. About 20% savings of fuel oil costs is expected for Brown's Academy for the year.

The school portion of the Town Report has been increased and it is hoped it is of more help to the townspeople.

A round of applause seconded the thanks given to Sue Oechsle for her work as a Board member.

Through the efforts of SAU No. 16 Superintendent Wayne Gerson and Assistant Superintendent Nathan Greenberg, a Parent Advisory Committee has been set up. The Board hopes it will continue on. They did very well this year with the Neighborhood Coffees and getting more people involved in the school district.

IOWA tests results show we are doing very well with the small school system we have. Fourth grade is 94% nationally; sixth grade is 82% nationally.

Bob Fairbanks suggested next year the Board list the code used for items paid.

Gail Donald asked about the hot lunch situation. Dave Conti explained there will be no hot lunch program next year, but there is a plan that will take care of any student who qualifies for a free lunch.

Motion to adjourn made by Jim Grey, seconded by Mel Bowley, and so voted at 8:22 pm.

Respectfully submitted
Catherine J. George
Clerk

New Hampshire State Department of Education

REPORT OF THE EAST KINGSTON SCHOOL ADMINISTRATION

For the past three years, curriculum development has been the primary focus of the SAU No. 16 staff. Working together on curriculum Task Forces with parents and School Board members, teachers and administrators have written goals and objectives for every High School course and every curriculum area in grades 1 through 8 except science and language arts, which are currently being reviewed.

With the curriculum development work nearing completion, the Board and administration have turned their attention to the development of a long range plan for the six towns that comprise SAU No. 16. With recent increases in the student population in the elementary grades, and the continued overcrowding at the high school, it is clear that significant expenditures will be necessary to improve and expand the facilities in our district. Some of the alternatives presented to the SAU Board to deal with population growth are:

- *Constructing a new High School in Stratham for Stratham and Newfields students, while simultaneously renovating Exeter Area, Brentwood, East Kingston, Exeter and Kensington.

- *Constructing a new, second AREA Junior High in Exeter to house grades 7 - 9, moving ninth grade students from the High School and assigning them to the two AREA Junior Highs, and simultaneously renovating Exeter AREA High School to house grade ten through twelve students in the six SAU towns.

- *Constructing a new AREA Middle School for sixth and seventh grade students in the six AREA towns, moving ninth grade students from the High School and housing them with the eighth grade in the Current Junior High, and simultaneously renovating Exeter AREA High School to house grade ten through twelve students in the six SAU towns.

- *Building an addition onto Exeter AREA Junior High School to house ninth grade students from the High School, and simultaneously renovating Exeter AREA High School to house grade ten through twelve students in the six SAU towns.

Each of these alternatives requires the expenditure of millions of dollars on facilities for secondary students. Furthermore, none of the alternatives directly address the elementary facility needs, which are unique to each community. Thus, collectively, the SAU towns may be required to invest over \$10,000,000 in their facilities in the next three to five years. Given the magnitude of the funds required, the SAU Advisory Committee voted to invest \$15,000 to secure the services of an educational planning consultant. This consultant will: obtain accurate data on future pupil population; conduct a comprehensive review of the space needs in each town in the SAU; conduct public hearings on facilities improvements for parents and citizens; develop alternative Master Plans for the SAU Boards to consider; help the Boards weigh each of these alternatives; and, provide a Master Plan that addresses the long range facilities needs for each town in the SAU.

The consultant's report should be completed by the end of the current school year. This will enable the Boards to review the information over the summer, to develop specific recommendations by September, 1986, and to begin implementing those recommendations by the 1987-88 school year.

We hope you will work with us as we plan for the future. Once again, we appreciate your continued support for the education of the youth in our district.

Wayne F. Gersen, Superintendent
Nathan S. Greenberg, Assistant Superintendent

ANNUAL REPORT OF THE EAST KINGSTON ELEMENTARY SCHOOL

The past few years the nation has been looking at our schools with a critical eye, but we must not lose sight of the many positive activities currently taking place in our schools.

The school staff works together to provide the best possible learning environment for all students. With our small class size, there is a warm, encouraging personal relationship between staff and students. We are consciously striving to develop a sense of self worth in every student with such activities as Science Fair, Young Authors Program, Effort Honor Roll, and recognition for work well done.

Classroom instruction is based on appropriate principles of learning and current research. All SAU No 16 towns have adopted new curriculum in the areas of reading, math, social studies, library skills, computer, music, art, and physical education. The staff has changed their thinking and teaching styles as a new philosophy has been developed.

Instruction based on the extensive use of the writing process provides our students an opportunity to integrate areas of learning. (i.e. spelling, language usage, creativity, punctuation, etc.)

There are high expectations for student achievement based on realistic assessment of each child's talents. Standardized testing has been conducted in grades 2 - 6. The staff is examining all results and will make appropriate adjustments to the curriculum. Generally, our academic achievement is high.

All of our staff members are highly qualified and are active learners themselves by continually improving their professional expertise by attending workshops, college courses, and conferences.

Our volunteer program, under the leadership of Ann O'Bara, has grown to having at least 8-10 volunteers in our school each week.

Our PTO and Advisory Council have taken an active interest in our school and have made a conscious effort to provide information and help solve or prevent problems that may arise.

We do not intend to rest on our laurels, but to continue to seek ways to improve and expand our services in appropriate ways for East Kingston Elementary School.

Respectfully submitted,
Sally Brown
Principal
